

BARNSTABLE NEWCOMERS – APRIL, 2021 MINUTES

April 's rain brings beautiful posies" and comments from "Under the Umbrella of President Sroczynski."

Hope you all enjoyed your Easter. It was made a little easier this year because of the vaccine that is now available to all age groups but the 2-11 year olds.

I fully expect a return to in person meetings in the not too distant future. Everyone I know who wants a vaccine has been immunized already. In the meantime we have Newcomer activities and Summer Wednesday's at Dowses Beach as soon as the weather warms just a bit more. Bowling will be returning in September with open Mondays in June and July. Gardening is in full swing; flowers are blooming and grass is greening.

The pandemic has brought some unexpected blessings. Carol and I have spent a considerable time with our grandchildren while their parents work from home. This will no doubt intensify when school is out. I look forward to visiting with my own siblings in places I have not visited in over a year.

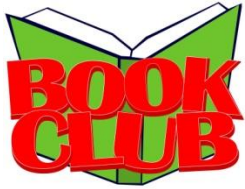

If you haven't received your vaccine shot yet, please social distance see125409065 GoGraph.com, wear a

mask  and wash hands. . This will protect you as well as others you come in contact with. If you can, please get your vaccine shot.

EVENTS

Book Club I – Bette Silva reported:

Held second book club for 2021 on May 4th in Ann Reeves home. We all had had our two shots and wore masks. After a few minutes into the meeting, masks were removed and we all enjoyed the discussion of the book as well as tea/coffee and light goodies our hostess with the mostess put out for us as well as great conversation about the book. Best part of Book Club is getting together and seeing each other again.

Bowling – Doug Scott reported:

Bowling will resume in September and Doug will contact the membership in August.

Special arrangements have been made to have two months of OPEN BOWLING on Mondays in June and July at \$10 AM at a cost of just \$10.00. ALL (not just Newcomers) are invited to join the fun.

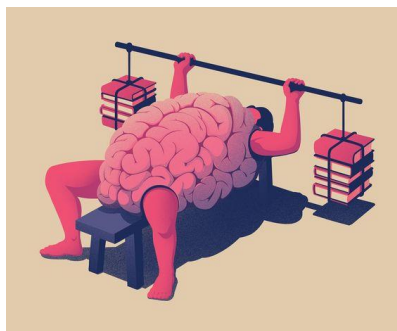

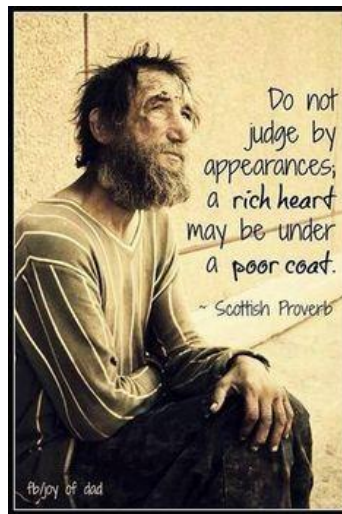

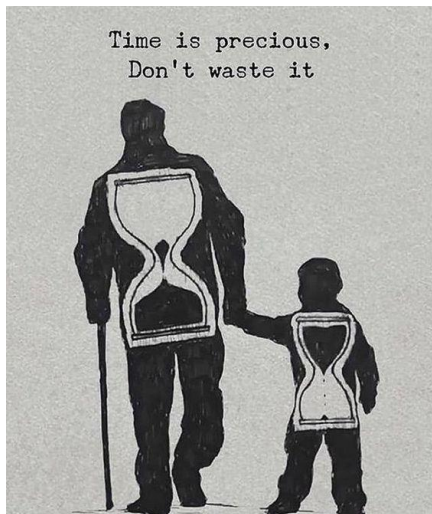

Beach Activity: Summer Wednesday's at Dowses Beach as soon as the weather warms just a bit more.
