

BARNSTABLE NEWCOMERS – FEBRUARY, 2021 MINUTES

February quote from President Charlie's safe haven

February is behind us

Even though there is still a lot of uncertainty with Covid – 19, we know that there is vaccine available (just keep on being persistent to get an appointment) and that there is a light at the end of the tunnel. We all should proceed to the light at the end of the tunnel with caution due to the few variances of the virus that are still out there like the South African variance, the UK Variance etc.

Wearing masks , washing hands , and keeping safe

distances - all will help to keep COVID-19 at bay and the sooner we can all be together to enjoy each other's company, listen to interesting speakers and have all the activity coordinators back in the swing of things.

If any activity coordinators has any reports or updates, please notify Charlie. Thanks!
