POINT OF INFORMATION: We will provide refreshments and entertainment; discuss ongoing club activities and provide signup sheets. It's a great time to simply meet and greet your old and new friends.

We are excited about seeing you there. Feel free to bring an interested friend or neighbor. Come and mingle. We want every member to be there in person. We want anyone who might think of joining to be there too. Let's just enjoy.

WHAT WE NEED TO KNOW: Please reply to this email to let us know...

1) Will you attend?

2) Can you volunteer some time?

This will help us prepare and avoid waste.

The club has started preparation for the rest of this year and next. Please think about your interest in any of these events: museum visits, pot luck dinner, bowling social, symphony, holiday get together, concert, symphonies, plays, harbor cruise, ice cream social, brewery, wineries, periodic club wide dine in events, dine out events. Can you suggest other activities? How much would you be willing to pay?

ON-GOING ACTIVITIES
