

## BARNSTABLE NEWCOMERS – MAY, 2021 MINUTES

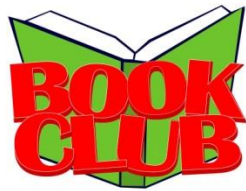

Vaccine is available to all age groups but the 2-11 year olds.

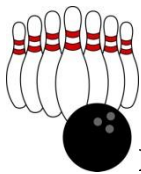

Let's hope that we can soon get together as a group and enjoy each other's company. In the meantime have a wonderful summer and stay safe. The Delta Variant is on the rise but if you have been vaccinated and wear masks and the usual distancing and washing of hands...these procedures combined can help prevent the Delta Variant from becoming more predominant in our area.

### EVENTS

**Book Club I** has reported that they are holding their monthly book clubs at each other's home. They all had their shots and if members feel comfortable, masks are removed. It is up to the individual. Great discussions have been enjoyed by all regarding the books that are assigned monthly to read.

### **Bowling –**

Bowling will resume in September and Doug Scott will contact the membership in August.

Special arrangements have been made to have two months of OPEN BOWLING on Mondays in June and July at \$10 AM at a cost of just \$10.00. ALL (not just Newcomers) are invited to join the fun.
