

**BARNSTABLE NEWCOMERS – OCTOBER MINUTES**

**MESSAGE FROM THE PRESIDENT'S DESK**

Hi Folks.....Charlie here,

Another month and alas, no meeting. COVID-19 still abounds but if the vaccines that are being put out by Pfizer, Moderna and AstraZeneca are a success; what a joy that will be.

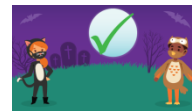

October is supposed to be a joy for the kids at Halloween but CDC is asking us to keep our children home and not go out for Halloween. As we are staunch, stalwart Americans, we will find ways for our young ones to have a great Halloween while remaining safe.

Here are some guidelines for Halloween trick or treaters from CDC:

Make trick-or-treating safer by:

- Avoid direct contact with trick-or-treaters.
- Give out treats outdoors, if possible.
- Set up a station with individually bagged treats for kids to take.
- Wash hands before handling treats.
- Wear a mask.

Wishing you all a safe October and will be in touch in November.

Respectfully Submitted

Bette Silva – Recording Secretary
