

BARNSTABLE NEWCOMERS – October 19, 2022

Meeting was called to order by President Charlie Sroczyński at 6:17 PM. There were approximately 75 members in attendance and 6 potential members and observers attended as well. It was noted that donations were taken at the door to assist in defraying the cost of the expenses for the evening. President Sroczyński announced a couple of housekeeping items: **a)** Cape Cod Academy is BNC's new home. (The Senior Center is closed for renovations). President Sroczyński indicated to all that if anyone had suggestions of other places to hold our meetings, please reach out to us; **b)** we are collecting dues tonight. We haven't done dues in two years. At present we have a list of 250 people that are and have been involved with the Newcomers. If dues are not renewed then the name will be dropped from the new list. Only those members who have paid their dues will be able to continue to receive mailings and emails from BNC. We have at present 135 new and re-upped members. President Sroczyński had new members and observers present introduce themselves. At this time President Sroczyński thanked all who put together the refreshments for this evening and a BNC thank you to the O'Connell's for arranging the Hyannis boat tour .
